SEP Conferences

If you need to change your appointment, you will need to call the office at 385-646-5079. My goal is to meet with all of my students and their families. My schedule is very tight so please make sure you arrive at your scheduled time. If you need to talk about something that will take longer than the 10 minute conference time, you will need to set up another time with me. Thank you for your cooperation.

Congratulations
